STAINED STORIES

TAKE-IT-HOME

We have just spent time hearing God's Word together in worship. Hebrews 4:12 reminds us that His Word is "alive and active," so before this week ends take time to reflect on what you heard from His Holy Spirit, who is alive and active in you. We have provided a few questions along with a prayer and blessing to help guide you and family through what we hope to be an opportunity to "draw ear as He draws near to you (James 4:8)!"

REFLECTION:

How can you relate to this week's STAINED STORY involving King Solomon?

What times have you sensed that you were using well the WISDOM God gave you?

As you look back on your life what times have there been that you did not finish well?

How has this message encouraged you to finish what was STARTED in you?

Spiritually, what are your BEST HOPES AND DREAMS?

PRAYER:

Heavenly Father, you give me so many gifts, and the greatest of these is wisdom unto eternal life. May I treasure that wonderful gift and, at the same time, attempt to use it in living my everyday life. At the same time, may I be aware when I have not lived my life wisely, not finishing the spiritual things begun in me. Guide me to correct these weaknesses and begin anew in living my best hopes and dreams of following You. I pray this in Jesus' name+

BLESSING:

May God bless you with the comfort of knowing that He will bless you in the living out of His best hopes and dreams in your life—all the way to heaven.

Color in the front of the bulletin in any way to represent your own version of Solomon's story.
